

Configuración de ZOIPER App

The screenshot shows the Zoiper5 app interface. At the top left, there is a status bar with the Zoiper5 logo. Below it is the Zoiper logo. The main area contains two input fields: the first contains the number '1301', and the second is a password field with a toggle icon. At the bottom, there are two buttons: a green 'Login' button and an orange 'Create account' button. The 'Login' button is highlighted with a red rectangular box.

- ***Introduzca el número de extensión***
- ***Contraseña de la extensión que se le***

Zoiper5

Fill in your hostname
and select your
provider from the list

diminox.tele-voice.mx

This could also be called 'Domain',
'SIP server', 'Registrar' or 'SIP Proxy'.
For example 'sip.example.com' or
'123.21.123.32:5060'
